

THE FOOD LOOK

———— Signature ————

- PRODUCT CATALOGUE 2026 -

An aerial photograph of the Dubai skyline at sunset. The Burj Khalifa is the most prominent skyscraper on the right side, reaching towards the top of the frame. The sun is a bright, glowing orb in the center-left of the horizon, casting a warm, orange and yellow light across the sky and the city. The sky is filled with dramatic, dark clouds that are illuminated from below by the sun. The city below is a dense collection of buildings and structures, with the Dubai Creek visible in the middle ground. The overall mood is one of grandeur and modernity.

The Signature of Experience **THOUGHTFULLY CRAFTED**

Our Signature Range is the result of decades of expertise in the food display industry. When existing products failed to meet the needs of our customers, we took the initiative—designing and manufacturing our own collections. Each piece is thoughtfully crafted, combining style, function, and durability, and carefully tailored to the demands of Food Retailers worldwide.

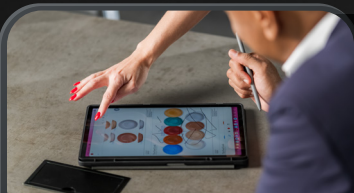

Our Story

Mastering Food Merchandising

Our Process

STRATEGIC BRIEF

What are the high-level business objectives? E.g improve aesthetics, reduce waste, introduce a new product range etc.

1

REQUIREMENTS

What are the dimensions of the display counters? How many varieties, preferred colours and capacities?

2

3D DESIGN

We design the display in 3D so you make an informed decision

3

DELIVER

Our company takes care of all logistics involved in shipping and delivering goods by land, road, or sea

4

ROLL OUT

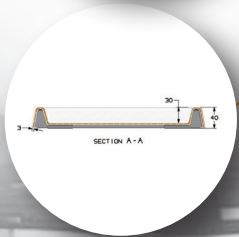

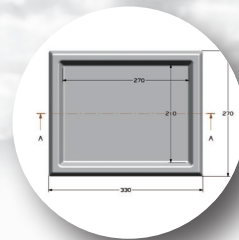

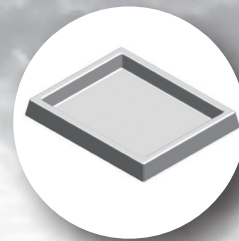

Whether it's 2 or 2000 stores, we execute with speed, precision, and scale.

5

About us

Discover · Design · Deliver

The Food Look's design services offer you the opportunity to leverage our knowledge and expertise in food display solutions. We specialise in designing display counters, presenting new concepts, solving unique food display problems, and producing bespoke product designs.

THE FOOD LOOK

Signature

KEY SYMBOLS:

- MF** Made of melamine and dishwasher safe
-  Conveniently stackable
- SF** Built with silicone feet for stability
- 840** Designed to fit 840 print
